Dear Admiral:

Reference your letter of 22 September 1947, I will be very pleased to talk to your brother personally in connection with his desire for a position in this organization. Please let me know a little ahead of time when it will be convenient for him to come in, to be certain that I will be here. I will arrange at that time for him to see my personnel director and prepare the necessary forms to apply for employment.

His placement will depend to some extent on the grade level which he will be willing to accept and, of course, our situation with regard to appropriate vacancies at the time he applies. You may be assured, however, that we will do our best to find a suitable spot for him.

Sincerely,

s/Neely - Sup. 30 Sep 47
